

5

VOTE FOR THE CENTRE PARTY AND EUROPE'S UNITED FORCES!

10

We want the EU to be a guarantee for peace and a global leader that speaks with one voice.

- Scrap the right to veto
- Strengthen the EU's crisis management ability
- Act when human rights are being violated

15

We want the EU to become an eco-efficient economy, where climate-smart solutions create new jobs

- Reduce the EU's greenhouse gas emissions by 30 percent by the year 2020
- Emphasise the importance of new innovations, new environmental technology and new jobs

20

for companies

- Tighten the requirements for emissions trading and expand trade to more countries and markets

25

We want to have an open EU through free trade and open borders and strong protection for the individual and for privacy.

- Introduce a privacy ombudsman in the EU
- Free movement in the EU, including the service sector
- A common, generous and humane migration and asylum policy

30

The European Parliament elections take place on 7 June 2009.
