Centerpartiet

NORRKÖPINGS KOMMUN

Centerpartiet wants to:

Health and Elderly Care

- No more than 10 different caregivers for each care recipient.
- Our elderly should feel safe every day.
- More time for care, less time on administration.

Schools

- Every student should get the right support at the right time.
- More qualified teachers in Norrköping municipality's schools.
- Safe classrooms with a calm learning environment.

Jobs

- More young people should get their first job.
- Make it easier to start and run a business.
- More pathways to work through internships and education.

Safety

- Reach young people before the gangs do.
- Stop welfare fraud and organized crime.
- Schools, social services and the police must work together.
